

Cultivating Hope: Hearing & Healing Through Art & Nature

"I'll Be Back With My Butterfly", Sarah I-Kufrey, Age 14

A 20th Anniversary Celebration from
Oro Valley Audiology Inc.

Experience original paintings created on canvases salvaged from camp tents by Syrian refugee children living in the Zaatari Camp in Jordan.

Hear stories of survival and hope and learn how art and nature are being used to support audiology treatments and to overcome the results of severe trauma.
